The federal agency that administers compliance with this law is the Federal Trade Commission Equal Credit Opportunity, Washington, D.C. 20580. If your application for business credit is denied, you have the right to a written statement of the specific reasons for the denial. Notice: To help the government fight the funding of terrorism and money laundering activities, U.S. Federal law requires financial institutions to obtain, verify and record information that identifies each person (individuals or businesses) who opens an account. We may also ask to see other identifying documents.
